On July 28, 1994 the Vermont Attorney General filed a consumer fraud complaint against Lowensen International, Inc., d/b/a/National Medical Research Institute and Louis-Martin Pilote. The Crittenden County Superior Court docket number was 1037-94-CNC.

I assume that the case ended with a consent agreement or injunction. Can you give me that document? If not, please tell me the outcome of the case.

Thank you
